## BOOTLEGGING IS A TOPIC FOR COUNCIL

O. C. Brann, Head Of Police Committee, Says Reports Of Official "Protection" Are Unfounded

WAS ASKED TO INVESTIGATE

Councilman Sharp Says He Will Not Sign Report Exonerating Department Of The Charge

Complaints registered with the city councilmen and analyzed as mere "gossip", threatened to disrupt the Rushville police department, when it was brought out at the regular meeting of the council Tuesday night, that the patrolmen had been accused with offering protection to bootleggers and with even bootlegging themselves.

A busy session followed, and included in the routine of business was the passing of a resolution endorsing the plan to have the members of the fire department properly uniformed and badged, the plan of having a building code for the business district the acceptance of an architect's contract for the remodeling of the water and light plant boiler room, and other matters.

Councilman Brann, head of the police committee, brought the subject of the police charges to the attention of the council, having been asked by Mayor Thomas several weeks ago to do something with the policemen.

Councilman Brann stated that such charges were absurd, and that he had not been able to find any person who could point out one piece of evidence, although the "gossip" had been making the rounds. He stated that he was ready to discharge any member of the police force, as soon as the proper evidence was submitted, and that people circulating the rumors had better keep their mouths shut, or produce the evidence.

He said that he would sanction the publication of such report with his name signed, and that the committee would sign the report also. Councilman Sharp, also on the committee, took exception to his report, and stated that he would not sign any such document, because he had "got some things pretty straight and knew that there was something wrong, or else people wouldn't be talking so about the police."

## FOUL PLAY FEARED IN MAN'S DISAPPEARANCE

Mrs. Edwin Megee Appeals to Indianapolis Police to Search For Her Son William, 22

MISSING FOR PAST TWO WEEKS

Fear that her son William, 22, has met with foul play prompted Mrs. Edwin Megee, 327 West Third street, to appeal to the police of Indianapolis, where he has been employed since January 1 of this year, to search for the young man.

Young Megee has been missing for two weeks from his room at 1140 Udel street, Indianapolis, where he roomed. His parents feared that something had befallen him because he left all of his clothes, except those he was wearing, and some money in his room.

When his parents did not hear from him in a reasonable length of time, Mrs. Megee went to Indianapolis and investigated, and being unable to account for his strange disappearance, she asked the police to search for her son. The fact that he left all of his clothes and a sum of money is regarded as grounds for the theory that his disappearance was not of his own accord.

Young Megee roomed with Michael Knauths. He is described as being five feet and ten inches in height and weighing about 155 pounds.

## SPRING IS NOT HERE TO STAY

Weather Man Warns Colder Weather May Be Expected Thursday

The spring-like weather that ushered in spring today will not last long if the weather man is right. He predicts increasing cloudiness with rain probably late tonight or Thursday, followed by colder weather Thursday. Lowest temperatures expected during the next 36 hours are freezing by Thursday night in the north and central part of Indiana and slightly above freezing in the east and southern part of the state.

The warm sun brought the temperature up several degrees today, which was in marked contrast to the cold and disagreeable weather of Monday and Tuesday, characterized by below freezing temperatures Sunday and Monday nights.

## SHOWS NEED FOR RILEY HOSPITAL

James W. Fesler Reviews History Of Movement To Memorialize Foremost Indiana Poet

RUSH COUNTY STATISTICS

Speaker Explains How Rush County Will Benefit By Pointing Out 278 Have Used Long Hospital

Rush county residents, both grown people and children, numbering 278, have undergone operations or received treatment at the Robert W. Long hospital in Indianapolis since it was opened in June, 1914, according to James W. Fesler, president of the board of trustees of Indiana university, which has charge of the Long hospital and which will be the governing body of the Riley Memorial Hospital for children, in the interest of which a campaign for funds will be held in Rush county soon.

Mr. Fesler spoke to a small crowd of people in the court house assembly room Tuesday evening, using the story of the use of the Long hospital to show to what use the Riley hospital will be put. He told a plain story of the origin of the Riley hospital movement and explained the benefit that it would be to the people of Indiana, where there are 10,000 crippled children, according to a government report, who can be restored to health and given an opportunity to compete in the race of life on an equality with normal children, if the Riley hospital is built and facilities provided to cure them.

The Long hospital is a semi-public institution, such as it is proposed to make the Riley hospital, Mr. Fesler said. There are now 348 persons on the Long hospital waiting list, 13 of whom are from Rush county and six of these are children under sixteen years of age. Those on the waiting list come from 67 Indiana counties.

"You will see by this," Mr. Fesler said, "that this is not an Indianapolis institution, but truly a state hospital, controlled by the board of trustees of Indiana university, and the Riley hospital will be conducted along similar lines, only on a larger scale."

Mr. Fesler was accompanied here by James Carr, who is the executive in charge of the Riley hospital campaign. He told something of the detailed work in connection with the campaign and explained some of the plans for the hospital. When the first unit is opened he said it will be impossible to absorb more than half of the Long hospital waiting list. There will be 350 beds in the Riley hospital, he stated, but with the convalescent homes, it is estimated the hospital will have a capacity of 700. It is also estimated, he continued, that between 3,500 and 4,000 patients can be put through the hospital annually.

Mr. Fesler explained the method for admitting patients to the Riley hospital when it is completed, stating that they might be sent by a physician or through the circuit or juvenile court. When the patient is discharged the bill for treatment is

## SPEAKS OF GOD'S POWER TO SAVE

The Rev. Gibson Wilson Says All That is Needed is Man's Willingness to Let Him Use It

INSTANTANEOUS CONVERSION

First Presbyterian Church Pastor Says it is Possible—Child Singers Being Trained

God has the power to save and all that is needed is man's willingness to permit Him to use it, according to the Rev. Gibson Wilson, who is preaching nightly at the First Presbyterian church, corner of Morgan and Third streets, where pre-Easter revival services are being held.

Gerald Bonney, together with Mrs. Bonney, who is in charge of the music during the services, is holding school children's meetings, in preparation for a program by children at the church next Saturday night, in connection with the revival. One hundred and twelve children attended the meeting Tuesday afternoon. They are taught songs and told stories by the singing evangelist.

Taking for his text, "A new heart also will I give you and a new spirit will I put within you," Ezekiel 36:26, the Rev. M. Wilson spoke Tuesday evening in part as follows:

I want to speak to you tonight about God's Power To Save.

You may have wondered whether God has such power. Possibly you may be saying that if he has, you have missed it. Yes, it is possible to die and not be saved, but God has the power, if you are willing to let Him use it in your behalf.

Read the words in connection with this text. God has promised to do three things for these people, that his own name may be glorified among them.

He will gather them from among heathen lands which he has done and probably do in greater measure when he gathers the Jews into the fellowship of the Christian Church.

He will sprinkle them with clean water, that they may be clean from their filthiness. This is not an outward physical act alone, but typifies a spiritual process within by which

## NEW CHAPTER OF THE D. A. R. IS ORGANIZED

Mrs. S. E. Perkins, State Regent, Speaks at Preliminary Meeting of Homer Organization

OFFICERS ARE ELECTED

The Elisha Arnold chapter Daughters of the American Revolution, was organized at the home of the organizing regent, Mrs. Bryon Gates, in Homer, on Tuesday afternoon, and is a new chapter for Rush county.

Preceding the organization work, the state regent, Mrs. S. E. Perkins, gave a splendid address dealing with the real meaning of the organization and scope of work of the D. A. R., emphasizing the record of patriotic accomplishment of the national organization. The regular ritual was used as authorized by the national society.

Through the earnest effort of Mrs. Gates the chapter was completed. The following officers were chosen: Organizing Regent, Mrs. Byron Gates; vice Regent, Mrs. Will Frow; secretary, Mrs. A. J. Wissing; treasurer, Mrs. Alba Hurst; Registrar, Mrs. A. A. Swartz. Other members of the organization are Mrs. Clarence Brown, Miss Vida Frow, Mrs. Mary L. Saxon, Mrs. K. J. Nutter, Mrs. Fannie Fletcher, Mrs. Lois Corrie and Mrs. Lenora Blackledge.

Mrs. Oscar Williams of the Mary Motte Green chapter, Shelbyville, and Mrs. F. P. Cauble of the Christopher Harrison chapter of Salem Ind., were guests at the meeting, and the next session will be held March 29, with Mrs. A. J. Wissing.

## COUNTY WINS IN ALL DIVISIONS

Makes Clean Sweep In District Music Memory Contest Held Tuesday Afternoon

STATE CONTEST SATURDAY

One Member Of Winning Rushville, Carthage And Alexander School Teams Picked To Compete

Rush county took all of the honors in the sixth district music memory contest at the court house Tuesday afternoon, Rushville winning in the high school division, Carthage in the grammar grades section and Alexander school in the rural schools division, as announced Tuesday afternoon, having no opposition.

The teams representing the various counties in the district contest were composed of three pupils, but in the state contest only one pupil from each district will be permitted to compete in each section, and it fell to the lot of the music teachers to select the member of the winning team who will uphold the honors of the sixth district at the state contest, which will be held in the Manual Training high school in Indianapolis next Saturday afternoon.

Dona Wells of Carthage was selected by Miss Bernice Hannan, supervisor of music and art in the Carthage schools to represent the district in the grammar grades section of the state event and Mildred James was named from the successful Alexander school team to represent the district in the rural schools division. Miss Sarah I. McConnell of the Rushville schools was not ready to announce her selection today.

In the high school division of the district contest, Rushville competed against Middletown, representing Henry county, and Waldron, representing Shelby county. Rushville contestants turned in two out of three perfect papers and Middletown one out of three perfect, with Waldron having no perfect scores.

The Henry county team claimed a tie with Rushville, the first grading of the papers showing two out of three perfect, but a more careful examination of them showed an

## THEATRE TRADED FOR APARTMENTS

Building Remodeled For Motion Picture House Becomes Property Of Cincinnati Syndicate

TO BE LEASED FOR A THEATRE

Michael Katsaros and George Katsaros, proprietors of the Greek Candy Kitchen, have traded the building in East Third street, which they remodeled into a moving picture theatre, for apartment houses in Cincinnati, it was announced today.

The deed for the local property, which it is understood was valued at \$25,000 in the trade, was recorded at the court house Monday, but the deal was not actually consummated until Tuesday when the negotiations were closed at Cincinnati.

The local theatre was deeded to John R. Neely, who is said to represent a large syndicate, which deals in real estate. It is understood here that the theatre will be equipped and leased to someone who will operate a motion picture theatre.

The deed gave the consideration at \$1 and exchange of real estate. The revenue stamps on the deed indicated that the property was valued at \$25,000.

The theatre was formerly a flat, which was extensively remodeled and converted into a motion picture theatre. The flat was purchased by the Katsaros brothers in April, 1919 and the remodeling was completed last fall. It has been standing idle since that time.

## FRANCIS M. THOMPSON DIES

Milroy Man Expires at Age 83 Years of Pneumonia

Francis M. Thompson, age 83 years, a well known resident of Milroy, expired Tuesday about noon, death being caused from pneumonia, of which he had been seriously ill for several days.

The deceased is survived by the widow, and two sons, Grover and Lum Thompson of Anderson township, and a step-daughter, Mrs. Lee Wicker of Rushville.

The funeral will be held Thursday afternoon at two o'clock at the M. E. church in Milroy, in charge of the Rev. R. R. Cross, and burial will be made in the cemetery at Milroy.

## TRUE COMMUNITY SPIRIT PRAISED

Dr. C. S. Houghland Speaks to Kiwanis Club When Anderson Township Men Are Entertained

FIRST MEETING OF SERIES

Other Townships in County Will be Guests of Rushville Club—Special Musis on Program

Anderson township was represented today at the noon luncheon of the Kiwanis club, in the first of a series of township community meetings which will be held at monthly intervals by the club, and Dr. C. S. Houghland of Milroy, represented the delegation, and spoke on community spirit.

The ten business men of the township, including merchants and farmers, were Clyde Archey, Clarence Brown, Norman Harcourt, Jake Brown, Faude Harcourt, Virgil Henry, Everett Ryan, Raymond Selby, Elmer Ryan and Dr. Houghland.

Dr. J. B. Kinsinger, president of the Kiwanis club, addressed the visitors, explaining to them the purpose of Kiwanis, and also the purpose of inviting the township delegations, which will appear each month in alphabetical order. The motto of the club is "We Build", and the purpose of the community meetings is to extend their scope of work into the county, and not to confine it to Rushville.

## YEGGS STEAL \$3,000 IN STAMPS AND CASH

Impossible to Determine Whether They Robbed Inner Vault of Connersville Postoffice

GET SUPPLY OF STAMPS HERE

(By United Press)

Connersville, Ind., March 21—Yeggs escaped with \$3,000 in stamps and money from the Connersville postoffice last night or early today. They used an acetylene torch to break the lock from the vault and left their tools scattered about the floor, indicating their work was interrupted.

Approximately \$50,000 in stamps and other supplies were in the inner compartment of the vault, the lock on which was broken. Experts have been unable to open this and determine whether this was included in the loot.

The robbery was discovered at 4:30 this morning by Raymond Steele, an employee, when he came on duty. Steele found two tarpaulins, two acetylene tanks, a sledge hammer, a crow bar, some gasoline and tongs lying about on the floor.

Assistant Postmaster McNaughton of the Connersville postoffice was in Rushville this morning, securing stamps and sundries for the office, as the safe was so badly tampered with that the contents could not be reached. The Rushville office usually keeps a \$20,000 supply of stamps on hand, and the Connersville office was given a supply.

## DEATH THREATENED BY GARY OFFICIALS

Phillip Ukman, Attorney, Tells Story Of Cruelty He Suffered For Helping Federal Officers

BEATEN UNTIL UNCONSCIOUS

Refusal To Sign Statement Results In Brutal Treatment—Representative And Mayor Involved

(By United Press)

Indianapolis, Ind., March 21.—A story of having been beaten into unconsciousness, threatened with death and thrown into jail without a hearing by Gary and Lake county officials, was told in federal court by Phillip Ukman, a witness in the booze conspiracy case involving sixty-three defendants, including public officials.

Ukman, an attorney, said he had been assisting federal officers in obtaining evidence in the case. He said on the evening of September 10, 1922, four police officers, Louis Christopher and two newspaper men appeared at his office, forcibly removing him to police headquarters and stole all papers in his possession pertaining to the investigation.

At police headquarters, he testified, he was met by the city judge, William Dunn, Blaz Lucas, an attorney, and many others. Dunn and Lucas are defendants. He said he asked permission to call Bert C. Morgan, federal prohibition director for Indiana, who was at Gary. He said he was told he could not call Morgan and that if Morgan came to police headquarters he to would be arrested.

Ukman said Christopher told him he was representing Mayor Roswell Johnson, a defendant, and that Christopher insisted he sign a statement saying he and federal prohibition officers had been collecting money in Lake county to aid the prohibition cause.

Ukman said he refused to sign the statement. He said police officers told him they would hang him if he did not sign. He said that Prosecutor Dwight Kinder, a defendant, then appeared and insisted that he sign.

At this point, Ukman said the word spread that Morgan was coming to headquarters and he was rushed to jail and locked up. He said he remained in jail for an hour and at the end of that time Potts appeared and took him into a room

## COMPLAINTS EACH ASK \$1,000 DAMAGES

Director General And Agent For Several Lines Sued By Mays Shippers For Loss To Stock

SHIPPED TO BUFFALO MARKET

Two suits, each demanding \$1,000 damages from railroads, were filed this afternoon in the circuit court, one being by Albert R. McVaine and William R. Cole, partners, and the other by William R. Cole and Louise Canady, partners, and each against James C. Davis, director general and agent of railroads, et al., and more particularly against the Lake Erie and Western and other lines.

The two suits contain practically the same allegations, and charge the railroad with delaying shipments of stock from Mays to East Buffalo, N. Y., and on account of a delay in reaching the market, the two plainiffs alleges that the stock did not bring top prices. The first case involved 3 cars of cattle and a car and a part of another loaded with hogs, and the other complaint included a shipment of 55 head of cattle and 120 hogs. Each was shipped from Mays April 16, 1921.

Circuit court today was taken up with the case of John Kelly against Russell Behout, et al., a suit to set aside deeds to two properties, one a city property and the other a 54 acre farm. Many witnesses were used, and the evidence was being heard by special Judge John Craig of Greensburg, without the services of a jury.

## LARGE CROWDS AT REVIVAL

W. H. Hargett Will Speak Tonight  
On "The Kingdom Of Power"

At the revival service at the St. Paul's Methodist Episcopal church Tuesday evening, the Rev. H. W. Hargett took for his sermon subject, "The Kingdom Of Power" and gave a very able talk. A large crowd was in attendance and the choir furnished splendid music.

Tonight the pastor will speak on "The Arrows of Victory" and a special musical number will be on the program. The services will continue until Easter and the public is urged to attend and hear these splendid sermons.

## AMUSEMENTS

### "The Bootleggers" Caught

Catching the well organized and well equipped "bootlegger" is a mighty hazardous job. The ocean smugglers often have ships loaded with illicit beverages and will protect it with guns if necessary, but sooner or later they run into the toils of the law.

In the coming picture attraction, "The Bootlegger," at the Mystic Theatre Friday, the gang leader stepped a little too far. He kidnapped two orphans and put out to sea. The sweetheart of one of the girls, who was a revenue aviator, joined in the chase to run the gang to earth. The hunt carried him to a desert island where, after a terrific struggle, he rescues the girls. A passing liner picks up the party and returns them to safety.

### "Peg O' My Heart"

Laurette Taylor, who won the hearts of a million people with her famous characterization of the delightful Peg in J. Hartley Manner's play, "Peg O' My Heart," will again be seen in her celebrated role—this time in screen form. It will be presented for the first time today at the Princess and will be repeated Thursday and it is a safe assertion that the star has endeared herself even more to the vast American audiences which is certain to flock to see the film.

As a stage play, "Peg O' My Heart" has had one of the most phenomenal runs in theatrical history. It has had 6,608 performances in the United States alone. It has been played in England, Australia, New Zealand, South Africa, India, Hawaii, Italy, Czechoslovakia and Paris. The screen now puts it within the range of enjoyment of people residing in communities not reached by stage performances.

Miss Taylor covers herself with distinction through her sympathetic and tender portrayal of "Peg" in the screen version. Shades of her whimsical character, never fully developed in the spoken play because of the natural limitations of the theatre.

## Thin? Run-down? Sure Way to Get Right Weight

Increase Your Red-Blood-Cells. That's the Sure Way! S. S. S. Builds Blood-Cells; This Means Strength!

Do you know why insurance companies refuse to insure a great many men because they are under weight? Simply because to be under weight often proves

low fighting-power in the body. It often means you are minus nerve-power, minus red-cells in your blood, minus health, minus energy, minus vitality. It is serious to be minus, but the moment you increase the number of your red-blood-cells, you begin to become plus. That's why S. S. S., since 1826, has meant to thousands of underweight men and women, a plus in their strength. Hollow cheeks fill out. You stop being a calamity looker. You inspire confidence. Your body fills to the point of power, your flesh becomes firmer, the age lines that come from thinness disappear. You look younger, firmer, happier, and you feel it, too, all over your body. More red-blood-cells! S. S. S. will build them. Ladies and gentlemen, a peaky, bony face doesn't make you look very important or pretty, does it? Take S. S. S. It contains only pure vegetable medicinal ingredients. S. S. S. is sold at all drug stores in two sizes. The larger size bottle is the more economical.

## Conkey's Buttermilk Starting Feed

Conkey's is different—no dried buttermilk is ever used. We use Semi-Solid Buttermilk only, combining it with the other ingredients in the original and successful Conkey way.

Conkey's is low in fibre and just right in protein. Too much fibre injures and too much protein overtaxes. Conkey has made a study of the little chick for years, and in Conkey's Buttermilk Starting Feed has perfected the one really successful feed for little chicks from 48 hours to 8 weeks of age.

Conkey's also puts an edge to the appetite, while the lactic acid has a tonic effect—helping to prevent White Diarrhea.

You will be amazed to see how the use of "Bull" Durham will cut down the cost of your smoking.

How is it possible to give you quality at the low cost of 10 cents for 50 cigarettes?

Here's one reason: The government tax alone on 50 machine-made cigarettes is 15 cents—5 CENTS MORE THAN THE COST OF 50 "BULL" DURHAM CIGARETTES TO YOU!

The average smoker saves \$1 to \$1.50 a week by "rolling his own" from "Bull"—or from \$52 to \$78 a year. This makes quite a Christmas fund—or pays for a fine trip.

## TOBACCO

What a place "Bull" Durham holds in the hearts of Americans! Can you think of any other brand that has been the favorite of three generations?

Look at its history. From the Civil War to the Great War "Bull" Durham has been the American's greatest standby. Sixty years.

There really is no smoke in the world so altogether satisfactory.

A "Bull" smoker never switches. You can't interest him in any new experiments. He carries his preference wherever he goes.

This is because the special flavor and aroma of "Bull" Durham make a cigarette that can not be duplicated.

Find out. You will never know how good a cigarette can really be until you roll your own out of "Bull".

## The World Court

The Los Angeles Bar Association  
follows the example of the New  
York Bar Association in approving  
President Harding's recommendation  
that the United States join the Per-  
manent Court of International Jus-  
tice. Thus geographical extremities  
of the country agree on an impor-  
tant question of foreign policy.There is plenty of similar agree-  
ment in between, and all around the  
edges, for anyone who cares to look  
for it. Whatever political squabbling  
there may be over this question of  
membership in the international  
court, the dominant thought of the  
country seems to be in favor of it.  
This may become still more evident  
as the President makes his "swing  
around the circle" speaking for the  
measure.It would be unfortunate if the  
question were made a party or frac-  
tional issue, and possibly it will not  
be when the final show-down comes.  
If the public indicates overwhelming  
agreement with the President, the  
irregulars and bitter-enders in the  
Senate may yield gracefully next  
winter.SHOWS NEED FOR

ment will all be free.

By a Paragrapher with a SoulPeople don't brag about the  
height of public buildings any  
more. They reserve their super-  
latives for the make of auto-  
mobile they own.Somebody says the world  
needs "a spiritual Hague". To  
care its spiritual agony?The average reformer can  
never understand why the  
blamed country objects so  
strenuously to being saved.The idea that Henry Ford is  
a reincarnation of old King Tut  
sounds reasonable, because  
Henry would have sold a chariot  
to every mummy in the ceme-  
tery instead of stacking them  
up in his own tomb.The vandyke matinee idol  
has had to give way to the mo-  
tion picture sheik, but he should  
have a heart because flappers'  
ideas change.Soft berths are the most in-  
secure.Chronic loafers are firm be-  
lievers in the rest cure."that it is not a question of giving  
a large sum of money, but the most  
important thing is your cordial and  
earnest support of the movement,  
and then give what you can."Pledge cards were passed out at  
the conclusion of the meeting, each  
person present being asked to pro-  
mise their service when the time for  
solicitation of funds begins.The need of such a hospital as  
is proposed was felt in 1914, soon  
after the Long hospital was opened.  
Mr. Fesler said, because that hos-  
pital for the sick poor was filled  
quickly and the waiting list has been  
increasing in size annually. There  
are only twelve beds for children  
in the Long hospital and after a  
few months it became apparent that  
more room to accommodate children  
would be necessary, the speaker  
stated. The Indiana university  
board of trustees discussed the prob-  
lem, but found it impossible to  
meet the maintenance cost if more  
beds for children were added.After the death of James Whit-  
comb Riley in 1916, Mr. Fesler con-  
tinued, his friends met and discussed  
methods of memorializing the  
foremost Indiana poet. Various  
plans were proposed, but none was  
universally approved until the child-  
ren's hospital was suggested. This  
met with instant approval and the  
plan was started, but delayed by  
the war, Mr. Fesler said.The speaker recalled the legis-  
lature in 1921 appropriated \$125,-  
000 for the hospital building \$75,-  
000 for equipment and mainte-  
nance for two years and \$50,000 for  
each year thereafter for equipment  
and maintenance."The importance of the act was  
not so much the appropriation as  
giving the hospital a legal status,"  
Mr. Fesler added, "and establishing  
methods of operating it."Riley's friends who promised to  
raise \$1,000,000 to complete the  
hospital, soon found that would not  
be enough, and that \$2,000,000  
would be required, he said. Those  
interested visited noted children's  
hospitals all over the country be-  
fore a pencil was put to paper to  
draw plans, the speaker pointed out,It is easier to make money than to  
know what is best to do with it.While we all admire regular he-men, our admiration  
slows down when it comes to she-women.We are always more liberal in giving our moral sup-  
port to a thing when there is no cash come-back to it.Nobody wants war but those who make money out  
of it.Some spend Sunday in devotion, while the majority  
put in the day overeating.Seventy per cent of the people never visit a dentist,  
which probably accounts for marriage being a failure.

## HEZ HECK SAYS:

"Gas keeps automobiles goin', and a  
lot o' men, too."and finally the contract was let and  
the first unit begun. It is now com-  
pleted to the second story and it is  
hoped it will be ready to admit pa-  
tients by next fall, Mr. Fesler stat-  
ed.Without any special solicitation,  
Mr. Fesler declared, over \$400,000  
of the amount allotted to Marion  
county has been raised, the sum  
raised to date in the state amounting  
to more than \$1,000,000. He enu-  
merated some of the large gifts,  
showing that the movement had the  
support of some of the most in-  
fluential men in Indiana. He re-  
called that the Kiwanis clubs of  
Indiana had pledged \$150,000, that  
the Indianapolis Rotary club had  
pledged more than \$80,000 and that  
the Rotary clubs of the state, at  
a recent conference, approved the  
project and expect to raise more  
than enough to build one wing of  
the hospital.COUNTY WINS IN  
ALL DIVISIONSContinued from Page One  
erasure on one of the otherwise per-  
fect papers, which counted one point  
against the contestant. Rushville  
scored two one hundreds and one  
97. Middletown scored one 100 and  
two 99's. The Henry county teacher  
was disposed to contest it further  
on the theory that the average  
grade for her team was higher than  
the average of the Rushville team  
but it was pointed out that the  
award was not made on averages,  
but on the per cent. of papers per-  
fect.The members of the winning  
Rushville high school team were  
Virginia Lucas, June Lightfoot and  
Lois Steffy.In the grammar grades section,  
the Carthage team turned in three  
perfect papers, competing against  
Middletown, representing Henry  
county; Connersville, from Fayette  
county, and Brookville, Franklin  
county winners.Middletown had one out of three  
perfect papers and Connersville and  
Brookville contestants turned in no  
perfect papers.The Carthage district team was  
composed of Dona Wells, Clyde  
Wells and Ruth Rhodes. These  
three, together with John Hinshaw  
and Ruby McGeorge, composed the  
team which won the grammar grade  
section of the county contest.Twenty of the most difficult se-  
lections from the list submitted for  
the grammar grades and the high  
school were used in the district  
contest.The scores all ran high and show-  
ed that the contestants were prac-  
tically perfect in recognition. Rush  
county won in all branches of the  
contest, it is pointed out because the  
teachers were most exacting in their  
training of the pupils and followed  
the rules closely. It developed dur-  
ing the contest that in other coun-  
ties teachers had been permitting  
pupils to erase, but this was not  
allowed.

sweeping, dusting, mending and  
cooking, often suffering from back-

sands of such women have found  
relief from such suffering by taking  
Lydia E. Pinkham's Vegetable Com-

of recommendation continually being  
published in this paper. For nearly  
fifty years this old-fashioned root

### TRAINING CAMP GOSSIP

Montgomery, Ala.—The Philadelphia Athletics and the Milwaukee team will play here today while the B. team of Connie Mack will play the University of Alabama. Mack's A team defeated Milwaukee yesterday, 12-3. Connie used twenty five players and had a new pitcher in each inning.

Leesburg, Fla.—The Phillies will play the St. Louis Cardinals in Bradenton, Fla., today. The regulars took their fifth consecutive game from the Yannis yesterday four to one.

Hot Springs, Ark.—Manager McKeehie was to start the first practice game today with the veteran Babe Adams pitching for the scrubs. After daily batting sessions, McKeehie says he is satisfied his men are going to make a shugging team this year.

Augusta, Ga.—The Detroit Tigers resumed outdoor practice yesterday

after two days of forced rest caused by rain. The men were put through a series of batting and fielding drills by Manager Cobb. Rigney, shortstop, is on the sick list suffering with a severe cold.

San Antonio, Tex.—Very few changes are expected in the team of Giants that will start after the 1923 pennant. O'Connell will start in center field and Cunningham and Stengel will be retained as substitutes. Rawlings and Jackson are expected to be kept as infield substitutes and Anderson may displace Gaston as the third catcher.

New Orleans—Badly in need of a seasoned utility infielder, the Yanks may go into the market, Manager Huggins intimated today. Johnny White, Tulane star has made a fine impression on Huggins and he probably will be retained but he lacks experience. Huggins said he had a player in view but would not tell his plans.

Tampa, Fla.—Washington pitchers are improving as a result of the exhibition games with other major league teams, Donnie Bush, the Senator's manager, believes. Brillheart and Zarchy showed real form yesterday when the Senators defeated the Braves, 5-2.

Avalon, Calif.—The Cubs need an outfielder with a good peg, manager Bill Killifer has decided. Not a man now with the squad gets much steam behind the ball. Miller and Statz have only a fair whip.

Seguin, Texas—After a week's rest with a bruised knee, Willie Kamm was back at third base with the White Sox pitcher. He took things easy and will not appear in the game with the Giants.

Lakeland, Fla.—The Cleveland Indians, won the third game of their spring series from the St. Louis Cards, 6-5.

Orlando, Fla.—Pat Moran will take a second look at Danny Deever, former soldier who Tuesday let the Red Colts down with 1 hit in five innings. Deever was slated for a minor league berth but he pitched swell ball. Only one man reached second on him.

### European Champs Poor Bunch

By HENRY L. FARRELL  
(United Press Sports Editor)

New York, March 21—Decline of the British boxing class is shown most strikingly in the list of new European ring champions recognized by the International Boxing Union.

Where once English fighters ruled almost supreme on the other side of the Atlantic, France and Belgium have now crowded in and won more representation on the list of champions.

Belgium has two, France three and England only one champion on the following new list prepared and accepted by the International Boxing Union.

Flyweight, Montreuil, Belgium.  
Bantamweight, Ledoux, France.  
Featherweight, Criqui, France.  
Lightweight, Open.  
Welterweight, Hobin, Belgium.  
Middleweight, Todd, England.  
Light heavyweight, Siki, France.  
Heavyweight, Spalla, Italy or Vander Veer, Holland.

It will be observed, that Jimmy Wilde, the one great British cham-

pion, and Joe Beckett, the British heavyweight, have been removed from the official list. They were taken out from under their titles by the simple expedient of ruling them out, a la Duke Muldoon.

The Duke's New York commission is said to be affiliated with the International Union, but the Duke may remember that the International refused to recognize the Duke's operation on Johnny Kilbane and Johnny Wilson and Wilde and Beckett may not lose their titles as European champions of New York.

The European solons bounced Wilde out of the list because of inactivity and they gave the air to Beckett on general principles.

Some punishment ought to be meted out to the Kilbanes, Wilsons, Wildes and the other champions who refuse to defend their titles, but no punishment can be respected if it is not effective.

The process of removing a title by making a motion and having it seconded and passed will never be effective.

Regardless of the injustice apparently done to Wilde and Beckett it

remains an admitted fact that England is in a bad way for fighters. This was shown when Ted Lewis left the United States a worn-out, has been old horse—went back to England and won three championships.

New York. —Tex Rickard announced that Luis Firpo, South American conqueror of Bill Brennan will meet an unselected opponent in a time-final to the Willard-Johnson bout in the charity show May 12.

## IF SKIN BREAKS OUT AND ITCHES APPLY SULPHUR

Just the moment you apply Mentho-Sulphur to an itching, burning or broken out skin, the itching stops and healing begins, says a noted skin specialist. This sulphur preparation, made into a pleasant cold cream, gives such a quick relief, even to fiery eczema, that nothing has ever been found to take its place.

Because of its germ-destroying properties, it quickly subdues the itching, cools the irritation and heals the eczema right up, leaving a clear, smooth skin in place of ugly eruptions, rash, pimples or roughness.

You do not have to wait for improvement. It quickly shows. You can get a little jar of Rowles Mentho-Sulphur at any drug store.

class were discussed. The hostess served refreshments.

The Rebekah Lodge will meet Friday evening at 7:30 o'clock in the lodge rooms in West Second street. Degree work will be given and all the members of the staff are urged to be present.

Mrs. J. B. Kinsinger entertained with five tables of bridge Tuesday afternoon at her home in North Harrison street. A luncheon was served by the hostess at the close of the card games.

Mrs. John Worthington entertained the members of the Ladies Card Club Tuesday evening at her home in North Perkins street. Five hundred was played during the evening and refreshments were served.

The open meeting of the Psi Iota Xi sorority will be held this evening in the Elks club rooms at 7:30 o'clock and Mrs. Carrie Pray of Indianapolis will deliver the lecture. Each member of the sorority is entitled to bring two guests.

Miss Lottie Callaghan was hostess to the members of the Ladies Aid Society of the St. Paul's Methodist Episcopal church Tuesday afternoon at her home in North Harrison street. She was assisted in entertaining by Mrs. Gray and Mrs. Horatio Havens. The regular business meeting and program was held and refreshments were served by the hostesses.

At the call meeting of the Music Study Club held Tuesday afternoon at the home of Miss Wanda Wyatt in North Main street, the state federation of music clubs convention which is to be held in Indianapolis March 22 to 24 was discussed. Several of the members are planning to attend different sessions of the convention. At the close of the meeting an informal social period was held.

The Woman's Missionary Society of the First Presbyterian church met Tuesday afternoon at the home of Mrs. J. R. Carmichael in North Main street. Miss Minnie Beale was in charge of the devotionals, using as her theme, "Why Study the Bible". Mrs. Rena Warner gave an interesting talk on "Alaska" and Mrs. Gibson Wilson told of the work of the Sheldon Jackson school at Sitka, Alaska. Current events were given by Mrs. J. T. Arbuckle and Mrs. Bert Mullin. Mrs. L. C. Snodgrass gave an enjoyable reading entitled "Gifts and Givers" and Miss Gertrude Snodgrass sang a beautiful solo. At the close of the program the hostess served dainty refreshments.

## TRUE COMMUNITY SPIRIT PRAISED

Continued from Page One

Dr. Houghland, in responding for the delegation, pointed out that the home is the first unit and around the home is built a family tie, which through the years has developed into towns, townships, counties and cities and that Anderson township has a community spirit which is one of friendliness, and which links it closely with the other townships of the county.

Dr. Houghland pointed out that the community spirit should not have a definite boundary line, and that if Milroy or Anderson township would do anything that would harm Rushville, or any other township, that it would react on them sooner or later, and that no good could result, while on the other hand, if the township does something worth while, and of real good, then it not only aids their own community, but reaches out into broader realms.

The speaker thanks the Kiwanians for the opportunity of being represented, and stated that he felt confident that he was speaking for the entire community, that if any misunderstanding existed, that such meetings would soon erase them, and a better feeling of fellowship would prevail.

in the jail. He said Potts tried to induce him to sign the statement and he again refused. He was locked in a cell again and was kept there for three or four hours.

About three a. m., he said he was taken to the city hall. There, he said, he found Johnson, Lucas, Dunn and others. He said they were drinking and that Johnson offered him a drink which he refused. He said Mayor Johnson asked what the government had against him. Ukman said he refused to answer.

Potts then threatened to kill him if he did not sign the statement, the witness said.

Upon his refusal to sign, he said, beaten with a belt. He said he then his clothing was removed and he was begged to be let alone and told them he would make a statement if they quit beating him. They said they would permit him to dress and insisted upon a statement.

Again he refused to sign anything.

## Safety Sam

I'll bet St. Peter didn't lose a minute gettin' his wingmakers on th' wire when he read th' news that flyin' bicycles will soon be on sale!

Ukman said upon his refusal Kinder struck him several times with a black jack. Ukman said he became unconscious and awakened next morning in a jail cell. He remained in jail at Gary from Tuesday until Saturday and then was removed to the Crown Point jail. No charge was ever placed against him, but he remained in jail several days, Ukman declared.

While in Crown Point jail, Ukman said J. Glenn Harris, a representative in the legislature, came and told him that Morgan, the district attorney and Federal Judge A. B. Anderson were against him and his only hope was to sign the requested statement. He said he told Harris he would sign.

Disregarding threats against their lives if they proceed with trial of the Gary liquor conspiracy case, Federal Judge Ferdinand Geiger and District Attorney Homer Elliott today sought to learn what was behind an alleged remark of one of the defendants that "we didn't get to see the witnesses soon enough."

Standing behind a screen in the federal building wash room, Will Hays, a prohibition agent, overheard two men talking. He testified that Andrew Wytow, a Gary patrolman, who is one of the defendants, made the remark.

Both Elliott and Judge Geiger want to know what was meant by the remark and whether it has any bearing on the apparent forgetfulness of some of the prosecuting witnesses, who have not been able to tell the same stories of irregularities

## Broke Up Housekeeping

"We had to break up housekeeping because of my wife's stomach trouble. No medicine did her any good for more than a few hours. On a visit to Oshkosh a friend praised Mayr's Wonderful Remedy so highly my wife tried it and she has enjoyed the best of health since taking it." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. that they related before the grand jury. They want to know if any of the witnesses have been intimidated or swayed by other means from an intention to "spill the beans" despite the vigilance of armed guards who "shadow" them.

Believing that he has established the truth of the government's charges that Mayor Roswell Johnson and other Gary and Lake county officials protected bootleggers for payment of weekly sums, Elliott turned some of his efforts toward the Hays testimony and toward further investigation of the Calumet steel region. The name of John Fox, Gary attorney was brought into the trial as a "fixer" to grant bootleggers immunity for payment of money. Others will be implicated, according to Elliott.

Money she had saved for her children went for bribes to get her husband out of trouble without a term, Mrs. Demetra Kensis of Gary, testified.

Mrs. Kensis said her husband, Tom, was arrested four times for liquor law violations and he got off in Gary city court with fines because she paid John Fox, Gary lawyer who is not a defendant, a total of more than \$700.

Each time Fox said, according to the witness, "if I don't pay him the money he will put my husband in jail for six months."

The fourth time, Mrs. Kensis said, Fox asked for \$250.

"We went to the bank to get the money I had saved for my children," she said. "I cried and said \$250 was too much. So he left me \$35 and took the rest."

## POSTAL THIEF ACTIVE

throughout the night in an effort to trap the "ape-man" who has terrorized women of the city. The fiend failed to appear.

## CREAM CLEARS A STUFFED-UP HEAD

Instantly Opens Every Air Passage  
—Clears Throat, Too

If your nostrils are clogged and your head is stuffed because of nasty catarrh or a cold, apply a little pure, antiseptic cream into your nostrils. It penetrates through every air passage, soothing and healing swollen, inflamed membranes and you get instant relief.

Try this. Get a small bottle of Ely's Cream Balm at any drug store. Your clogged nostrils open right up; your head is clear; no more hawking or snuffling. Count fifty. All the stuffiness, dryness, struggling for breath is gone. You feel fine.

### SPEAKS OF GOD'S POWER TO SAVE

Continued from Page One  
they are cleansed both from the guilt of sin and the power of sin.

He has promised in the third place to give them a new heart, a new spirit within. The heart of stone, the sin hardened heart is to be taken away. They are to be given a heart that knows God.

This sounds like the New Testament when we say "Ye must be born again." It shows us that the plan of God through the ages, for the salvation of man has ever been the same.

The Spirit of God entered into Samson (Judges 14:6) but Satan entered into Judas (Luke 22:3). The Spirit of God entered into Gideon and made him a "Mighty man of valor." Do you believe in instantaneous conversion?

Do you believe it is possible for the man who came into this house tonight without any thought of his soul, to believe and be converted before he leaves this house?

I believe it. My text says, "A new heart also will I give." If it were something to be purchased with money, you may not have brought the price. But it is a gift. You may receive it now.

John tells us that as many as received Jesus, to them gave he the privilege, the right, the power to become the children of God.

Jesus said: "Whoever ye shall ask of the Father, in my name He will give it you." Tonight. John 16: 23.

God's love for the world was so great that "He gave his only begotten Son that whosoever believeth on him should not perish, but have eternal life."

One day while Jesus rested at Jacob's well a Samaritan woman came to draw water. While Jesus talked with her he gave to her a new heart and a new spirit was given unto her. Her towns people knew it at once. She went back to her home and city and told them of Jesus, and they knew that there was a new spirit within her. And from that city many of the Samaritans believed on Him because of the words of the woman who testified: "He told me all things that ever I did." Yes the new spirit that you receive is the gift of God.

The power of the Gospel to awaken dormant faculties and inspire new life is witnessed in every land both Christian and pagan.

An Africaner was known as "The Bonopart of South Africa." This notorious Hottentot was the terror of the whole country. In 1817 Moffat, the noted missionary, started to visit his kraal. His friends warned him that Africaner would make a drum skin out of his hide and a drinking cup out of his skull. He was a murderer and a fugitive. A price was set on his head, but no one would attempt to capture him.

Moffat won him and until his death he was loyalty itself.

A man whose uncle he had killed saw him and the great change in his life and exclaimed: "O God what can not thy grace do. What a miracle of thy power."

The lion became the lamb. Gifts offered for his capture were spent in presents to him.

What do I want you people to do tonight? I want you to accept Jesus as your personal Savior. That is your part. It is not a mere saying of word. It is an act of your own will.

God's part is to give you a new heart. You are spiritually dead until he quickens you with his spirit.

You are to turn from your sins and accept his gift and he will do the cleansing.

## W. SPARKS ACTS AS SPECIAL JUDGE

Separate Motions To Dismiss Franklin County Election Contest Appeal Case Are Heard

### TAKEN UNDER ADVISEMENT

Brookville, Ind., March 22.—Separate motions to dismiss the election contest appeal case in Franklin county court were filed Monday afternoon by attorneys for the Democratic contestants, Henry J. Meyer and Thomas H. Feltz, based on grounds of lack of jurisdiction. Special Judge Will M. Sparks, of Rushville, took the matter under advisement and probably will make a ruling on the appeals this week. If the ruling is in favor of the contestants the case will be dismissed. If it is overruled the case will come to trial April 5.

In the motion for dismissal of the election appeal case the attorneys for the contestants declared the circuit court has no greater jurisdiction than the commissioners' court, from which the appeal was taken by the Republican contestants, William L. Chambers and Oren P. Masters. The motions state the transcript of the case shows no report of return of the sheriff of any service of any notice on the parties to the suit. The commissioners' court sustained a motion to dismiss last December on the grounds that the contests should have been filed separately instead of jointly.

Judge Sparks also set May 4 as the date for the George R. Foster bigamy trial in the Franklin circuit court.

### BOOTLEGGING IS A TOPIC FOR COUNCIL

Continued from Page One

Council Sharp stated further that he knew some things that had been "pulled off at the skating rink, which wasn't exactly right, and that his own daughter had told him of one affair, in which a police officer did not conduct himself properly." He declined to mention further the affair, but stated that his name was not to be signed to any O. K. on the police department.

Councilman Crum admitted that he had heard such reports, but had not obtained anything that would warrant the suspension of any officer, and Councilman Mauzy and Abernombie also admitted hearing reports. All councilmen agreed, how-

ever, that a shake-up would follow, if any one would produce the proof of the charges.

Attention was called to the councilmen of drafting an ordinance which will permit new buildings and remodeling of buildings in the business district, to allow contractors to place pillars, porticos, entrances and decorative features of the building on the sidewalk, where the sidewalk is 12 feet or more, and that such pillars, posts and portions of the building cannot exceed six

inches on the sidewalks.

It is understood that several buildings are planned for the business district, and that pillars are necessary to add to the attractiveness of the buildings. The ordinance committee will present it for first reading next meeting night.

The matter of permitting the city firemen to pick out a uniform and wear them while on duty was brought up, and the councilmen endorsed the plan. City Attorney Young stated that it was no more

than proper for the firemen to wear uniforms, and proper badges, as they are associated with the police headquarters and have privileges and powers similar to the police.

The councilmen also purchased 400 feet of fire hose at \$1.20 a foot. The fire hose is generally purchased in this amount every four months, always giving a good supply on hand, and keeps the standard of the quality up to the best.

The assessment role of the petitioners for two paved alleys between Fifth and Sixth and Main and Perkins street, was filed and approved and turned over to the treasurer for collection. The cost on each petition amounted to about \$40, although the improvement did not materialize.

A car load of crushed rock was ordered for street improvement, which will begin within a few weeks, and bids for oiling will be discussed at the next meeting.

The city clerk was instructed to make out the annual license slips for pool rooms and theaters, and turn them over to the police for collection.

In remodeling the building at the city water and light plant to prepare for the installation of the coal unloader, the councilmen approved the contract with McGuire and Shook, architects, whereby they will receive 6 per cent. of the total cost of the reconstruction, and they were ordered to draw up the plans and specifications.

## BOOTLEGGING IS A TOPIC FOR COUNCIL

O. C. Brann, Head Of Police Committee, Says Reports Of Official "Protection" Are Unfounded

WAS ASKED TO INVESTIGATE

Councilman Sharp Says He Will Not Sign Report Exonerating Department Of The Charge

Complaints registered with the city councilmen and analyzed as mere "gossip", threatened to disrupt the Rushville police department, when it was brought out at the regular meeting of the council Tuesday night, that the patrolmen had been accused with offering protection to bootleggers and with even bootlegging themselves.

A busy session followed, and included in the routine of business was the passing of a resolution endorsing the plan to have the members of the fire department properly uniformed and badged, the plan of having a building code for the business district the acceptance of an architect's contract for the remodeling of the water and light plant boiler room, and other matters.

Councilman Brann, head of the police committee, brought the subject of the police charges to the attention of the council, having been asked by Mayor Thomas several weeks ago to do something with the policemen.

Councilman Brann stated that such charges were absurd, and that he had not been able to find any person who could point out one piece of evidence, although the "gossip" had been making the rounds. He stated that he was ready to discharge any member of the police force, as soon as the proper evidence was submitted, and that people circulating the rumors had better keep their mouths shut, or produce the evidence.

He said that he would sanction the publication of such report with his name signed, and that the committee would sign the report also. Councilman Sharp, also on the committee, took exception to his report, and stated that he would not sign any such document, because he had "got some things pretty straight and knew that there was something wrong, or else people wouldn't be talking so about the police."

## FOUL PLAY FEARED IN MAN'S DISAPPEARANCE

Mrs. Edwin Megee Appeals To Indianapolis Police To Search For Her Son William, 22

MISSING FOR PAST TWO WEEKS

Fear that her son William, 22, has met with foul play prompted Mrs. Edwin Megee, 327 West Third street, to appeal to the police of Indianapolis, where he has been employed since January 1 of this year, to search for the young man.

Young Megee has been missing for two weeks from his room at 1140 Udel street, Indianapolis, where he roomed. His parents feared that something had befallen him because he left all of his clothes, except those he was wearing, and some money in his room.

When his parents did not hear from him in a reasonable length of time, Mrs. Megee went to Indianapolis and investigated, and being unable to account for his strange disappearance, she asked the police to search for her son. The fact that he left all of his clothes and a sum of money is regarded as grounds for the theory that his disappearance was not of his own accord.

Young Megee roomed with Michael Knauths. He is described as being five feet and ten inches in height and weighing about 155 pounds.

## SPRING IS NOT HERE TO STAY

Weather Man Warns Colder Weather May Be Expected Thursday

The spring-like weather that ushered in spring today will not last long if the weather man is right. He predicts increasing cloudiness with rain probably late tonight or Thursday, followed by colder weather Thursday. Lowest temperatures expected during the next 36 hours are freezing by Thursday night in the north and central part of Indiana and slightly above freezing in the east and southern part of the state.

The warm sun brought the temperature up several degrees today, which was in marked contrast to the cold and disagreeable weather of Monday and Tuesday, characterized by below freezing temperatures Sunday and Monday nights.

## SHOWS NEED FOR RILEY HOSPITAL

James W. Fesler Reviews History Of Movement To Memorialize Foremost Indiana Poet

RUSH COUNTY STATISTICS

Speaker Explains How Rush County Will Benefit By Pointing Out 278 Have Used Long Hospital

Rush county residents, both grown people and children, numbering 278, have undergone operations or received treatment at the Robert W. Long hospital in Indianapolis since it was opened in June, 1914, according to James W. Fesler, president of the board of trustees of Indiana university, which has charge of the Long hospital and which will be the governing body of the Riley Memorial Hospital for children, in the interest of which a campaign for funds will be held in Rush county soon.

Mr. Fesler spoke to a small crowd of people in the court house assembly room Tuesday evening, using the story of the use of the Long hospital to show to what use the Riley hospital will be put. He told a plain story of the origin of the Riley hospital movement and explained the benefit that it would be to the people of Indiana, where there are 10,000 crippled children, according to a government report, who can be restored to health and given an opportunity to compete in the race of life on an equality with normal children, if the Riley hospital is built and facilities provided to cure them.

The Long hospital is a semi-public institution, such as it is proposed to make the Riley hospital, Mr. Fesler said. There are now 348 persons on the Long hospital waiting list, 13 of whom are from Rush county and six of these are children under sixteen years of age. Those on the waiting list come from 67 Indiana counties.

"You will see by this," Mr. Fesler said, "that this is not an Indianapolis institution, but truly a state hospital, controlled by the board of trustees of Indiana university, and the Riley hospital will be conducted along similar lines, only on a larger scale."

Mr. Fesler was accompanied here by James Carr, who is the executive in charge of the Riley hospital campaign. He told something of the detailed work in connection with the campaign and explained some of the plans for the hospital. When the first unit is opened he said it will be impossible to absorb more than half of the Long hospital waiting list. There will be 350 beds in the Riley hospital, he stated, but with the convalescent homes, it is estimated the hospital will have a capacity of 700. It is also estimated, he continued, that between 3,500 and 4,000 patients can be put through the hospital annually.

Mr. Fesler explained the method for admitting patients to the Riley hospital when it is completed, stating that they might be sent by a physician or through the circuit or juvenile court. When the patient is discharged the bill for treatment is

## SPEAKS OF GOD'S POWER TO SAVE

The Rev. Gibson Wilson Says All That is Needed is Man's Willingness to Let Him Use It

INSTANTANEOUS CONVERSION

First Presbyterian Church Pastor Says it is Possible—Child Singers Being Trained

God has the power to save and all that is needed is man's willingness to permit Him to use it, according to the Rev. Gibson Wilson, who is preaching nightly at the First Presbyterian church, corner of Morgan and Third streets, where pre-Easter revival services are being held.

Gerald Bonney, together with Mrs. Bonney, who is in charge of the music during the services, is holding school children's meetings, in preparation for a program by children at the church next Saturday night, in connection with the revival. One hundred and twelve children attended the meeting Tuesday afternoon. They are taught songs and told stories by the singing evangelist.

Taking for his text, "A new heart also will I give you and a new spirit will I put within you," Ezekiel 36:26, the Rev. M. Wilson spoke Tuesday evening in pat as follows:

I want to speak to you tonight about God's Power To Save.

You may have wondered whether God has such power. Possibly you may be saying that if he has, you have missed it. Yes, it is possible to die and not be saved, but God has the power, if you are willing to let Him use it in your behalf.

Read the words in connection with this text. God has promised to do three things for these people, that his own name may be glorified among them.

He will gather them from among heathen lands which he has done and probably do in greater measure when he gathers the Jews into the fellowship of the Christian Church.

He will sprinkle them with clean water, that they may be clean from their filthiness. This is not an outward physical act alone, but typifies a spiritual process within by which

## NEW CHAPTER OF THE D. A. R. IS ORGANIZED

Mrs. S. E. Perkins, State Regent, Speaks at Preliminary Meeting of Homer Organization

OFFICERS ARE ELECTED

The Elisha Arnold chapter Daughters of the American Revolution, was organized at the home of the organizing regent, Mrs. Byron Gates, in Homer, on Tuesday afternoon, and is a new chapter for Rush county.

Preceding the organization work, the state regent, Mrs. S. E. Perkins, gave a splendid address dealing with the real meaning of the organization and scope of work of the D. A. R., emphasizing the record of patriotic accomplishment of the national organization. The regular ritual was used as authorized by the national society.

Through the earnest effort of Mrs. Gates the chapter was completed. The following officers were chosen: Organizing Regent, Mrs. Byron Gates; vice Regent, Mrs. Will Frow; secretary, Mrs. A. J. Wissing; treasurer, Mrs. Alba Hurst; Registrar, Mrs. A. A. Swartz. Other members of the organization are Mrs. Clarence Brown, Miss Vida Frow, Mrs. Mary L. Saxon, Mrs. K. J. Nutter, Mrs. Fannie Fletcher, Mrs. Lois Corrie and Mrs. Lenora Blackledge.

Mrs. Oscar Williams of the Mary Motte Green chapter, Shelbyville, and Mrs. F. P. Cagle of the Christopher Harrison chapter of Salem Ind., were guests at the meeting, and the next session will be held March 29, with Mrs. A. J. Wissing.

## COUNTY WINS IN ALL DIVISIONS

Makes Clean Sweep In District Music Memory Contest Held Tuesday Afternoon

STATE CONTEST SATURDAY

One Member Of Winning Rushville, Carthage And Alexander School Teams Picked To Compete

Rush county took all of the honors in the sixth district music memory contest at the court house Tuesday afternoon, Rushville winning in the high school division, Carthage in the grammar grades section and Alexander school in the rural schools division, as announced Tuesday afternoon, having no opposition.

The teams representing the various counties in the district contest were composed of three pupils, but in the state contest only one pupil from each district will be permitted to compete in each section, and it fell to the lot of the music teachers to select the member of the winning team who will uphold the honors of the sixth district at the state contest, which will be held in the Manual Training high school in Indianapolis next Saturday afternoon.

Dona Wells of Carthage was selected by Miss Bernice Hannan, supervisor of music and art in the Carthage schools to represent the district in the grammar grades section of the state event and Mildred James was named from the successful Alexander school team to represent the district in the rural schools division. Miss Sarah I. McConnell of the Rushville schools was not ready to announce her selection today.

In the high school division of the district contest, Rushville competed against Middletown, representing Henry county, and Waldron, representing Shelby county. Rushville contestants turned in two out of three perfect papers and Middletown one out of three perfect, with Waldron having no perfect scores.

The Henry county team claimed a tie with Rushville, the first grading of the papers showing two out of three perfect, but a more careful examination of them showed an

## THEATRE TRADED FOR APARTMENTS

Building Remodeled For Motion Picture House Becomes Property Of Cincinnati Syndicate

TO BE LEASED FOR A THEATRE

Michael Katsaros and George Katsaros, proprietors of the Greek Candy Kitchen, have traded the building in East Third street, which they remodeled into a moving picture theatre, for apartment houses in Cincinnati, it was announced today.

The deed for the local property, which it is understood was valued at \$25,000 in the trade, was recorded at the court house Monday, but the deal was not actually consummated until Tuesday when the negotiations were closed at Cincinnati.

The local theatre was deeded to John R. Neely, who is said to represent a large syndicate, which deals in real estate. It is understood here that the theatre will be equipped and leased to someone who will operate a motion picture theatre.

The deed gave the consideration at \$1 and exchange of real estate. The revenue stamps on the deed indicated that the property was valued at \$25,000.

The theatre was formerly a flat, which was extensively remodeled and converted into a motion picture theatre. The flat was purchased by the Katsaros brothers in April, 1919 and the remodeling was completed last fall. It has been standing idle since that time.

## FRANCIS M. THOMPSON DIES

Milroy Man Expires at Age 83 Years of Pneumonia

Francis M. Thompson, age 83 years, a well known resident of Milroy, expired Tuesday about noon, death being caused from pneumonia, of which he had been seriously ill for several days.

The deceased is survived by the widow, and two sons, Grover and Lum Thompson of Anderson township, and a step-daughter, Mrs. Lee Wicker of Rushville.

The funeral will be held Thursday afternoon at two o'clock at the M. E. church in Milroy, in charge of the Rev. R. R. Cross, and burial will be made in the cemetery at Milroy.

## TRUE COMMUNITY SPIRIT PRAISED

Dr. C. S. Houghland Speaks to Kiwanis Club When Anderson Township Men Are Entertained

FIRST MEETING OF SERIES

Other Townships in County Will be Guests of Rushville Club—Special Musics on Program

Anderson township was represented today at the noon luncheon of the Kiwanis club, in the first of a series of township community meetings which will be held at monthly intervals by the club, and Dr. C. S. Houghland of Milroy, represented the delegation, and spoke on community spirit.

The ten business men of the township, including merchants and farmers, were Clyde Archey, Clarence Brown, Norman Harcourt, Jake Brown, Fande Harcourt, Virgil Henry, Everett Ryan, Raymond Selby, Elmer Ryan and Dr. Houghland.

Dr. J. B. Kinsinger, president of the Kiwanis club, addressed the visitors, explaining to them the purpose of Kiwanis, and also the purpose of inviting the township delegations, which will appear each month in alphabetical order. The motto of the club is "We Build", and the purpose of the community meetings is to extend their scope of work into the county, and not to confine it to Rushville.

## YEGGS STEAL \$3,000 IN STAMPS AND CASH

Impossible to Determine Whether They Robbed Inner Vault of Connersville Postoffice

GET SUPPLY OF STAMPS HERE

(By United Press)

Connersville, Ind., March 21—Yeggs escaped with \$3,000 in stamps and money from the Connersville postoffice last night or early today. They used an acetylene torch to break the lock from the vault and left their tools scattered about the floor, indicating their work was interrupted.

Approximately \$50,000 in stamps and other supplies were in the inner compartment of the vault, the lock on which was broken. Experts have been unable to open this and determine whether this was included in the loot.

The robbery was discovered at 4:30 this morning by Raymond Steele, an employee, when he came on duty. Steele found two tarpaulins, two acetylene tanks, a sledge hammer, a crow bar, some gasoline and tongs lying about on the floor.

Assistant Postmaster McNaughton of the Connersville postoffice was in Rushville this morning, securing stamps and sundries for the office, as the safe was so badly tampered with that the contents could not be reached. The Rushville office usually keeps a \$20,000 supply of stamps on hand, and the Connersville office was given a supply.

## DEATH THREATENED BY GARY OFFICIALS

Phillip Ukman, Attorney, Tells Story Of Cruelty He Suffered For Helping Federal Officers

BEATEN UNTIL UNCONSCIOUS

Refusal To Sign Statement Results In Brutal Treatment—Representative And Mayor Involved

(By United Press)

Indianapolis, Ind., March 21.—A story of having been beaten into unconsciousness, threatened with death and thrown into jail without a hearing by Gary and Lake county officials, was told in federal court by Phillip Ukman, a witness in the booze conspiracy case involving sixty-three defendants, including public officials.

Ukman, an attorney, said he had been assisting federal officers in obtaining evidence in the case. He said on the evening of September 10, 1922, four police officers, Louis Christopher and two newspaper men appeared at his office, forcibly removing him to police headquarters and stole all papers in his possession pertaining to the investigation. At police headquarters, he testified, he was met by the city judge, William Dunn, Blaz Lucas, an attorney, and many others. Dunn and Lucas are defendants. He said he asked permission to call Bert C. Morgan, federal prohibition director for Indiana, who was at Gary. He said he was told he could not call Morgan and that if Morgan came to police headquarters he would be arrested.

Ukman said Christopher told him he was representing Mayor Roswell Johnson, a defendant, and that Christopher insisted he sign a statement saying he and federal prohibition officers had been collecting money in Lake county to aid the prohibition cause. Ukman said he refused to sign the statement. He said police officers told him they would hang him if he did not sign. He said that Prosecutor Dwight Kinder, a defendant, then appeared and insisted that he sign.

At this point, Ukman said the word spread that Morgan was coming to headquarters and he was rushed to jail and locked up. He said he remained in jail for an hour and at the end of that time Potts appeared and took him into a room

## COMPLAINTS EACH ASK \$1,000 DAMAGES

Director General And Agent For Several Lines Sued By Mays Shippers For Loss To Stock

SHIPPED TO BUFFALO MARKET

Two suits, each demanding \$1,000 damages from railroads, were filed this afternoon in the circuit court, one being by Albert R. McElvaine and William R. Cole, partners, and the other by William R. Cole and Louise Canady, partners, and each against James C. Davis, director general and agent of railroads, et al., and more particularly against the Lake Erie and Western and other lines.

The two suits contain practically the same allegations, and charge the railroad with delaying shipments of stock from Mays to East Buffalo, N. Y., and on account of a delay in reaching the market, the two plainiffs alleges that the stock did not bring top prices. The first case involved 3 cars of cattle and a car and a part of another loaded with hogs, and the other complaint included a shipment of 55 head of cattle and 120 hogs. Each was shipped from Mays April 16, 1921.

Circuit court today was taken up with the case of John Kelly against Russell Bebout, et al., a suit to set aside deeds to two properties, one a city property and the other a 54 acre farm. Many witnesses were used, and the evidence was being heard by special Judge John Craig of Greensburg, without the services of a jury.

## LARGE CROWDS AT REVIVAL

W. M. Hargett Will Speak Tonight  
On "The Kingdom Of Power"

At the revival service at the St. Paul's Methodist Episcopal church Tuesday evening, the Rev. H. W. Hargett took for his sermon subject, "The Kingdom of Power" and gave a very able talk. A large crowd was in attendance and the choir furnished splendid music.

Tonight the pastor will speak on "The Arrows of Victory" and a special musical number will be on the program. The services will continue until Easter and the public is urged to attend and hear these splendid sermons.

## AMUSEMENTS

### "The Bootleggers" Caught

Catching the well organized and well equipped "bootlegger" is a mighty hazardous job. The ocean smugglers often have ships loaded with illicit beverages and will protect it with guns if necessary, but sooner or later they run into the coils of the law.

In the coming picture attraction, "The Bootlegger," at the Mystic Theatre Friday, the gang leader stepped a little too far. He kidnapped two orphans and put out to sea. The sweetheart of one of the girls, who was a revenue aviator, joined in the chase to run the gang to earth. The hunt carried him to a desert island where, after a terrific struggle, he rescues the girls. A passing liner picks up the party and returns them to safety.

### "Peg O' My Heart"

Laurette Taylor, who won the hearts of a million people with her famous characterization of the delightful Peg in J. Hartley Manner's play, "Peg O' My Heart," will again be seen in her celebrated role—this time in screen form. It will be presented for the first time today at the Princess and will be repeated Thursday and it is a safe assertion that the star has endeared herself even more to the vast American audiences which is certain to flock to see the film.

As a stage play, "Peg O' My Heart" has had one of the most phenomenal runs in theatrical history. It has had 6,608 performances in the United States alone. It has been played in England, Australia, New Zealand, South Africa, India, Hawaii, Italy, Czechoslovakia and Paris. The screen now puts it within the range of enjoyment of people residing in communities not reached by stage performances.

Miss Taylor covers herself with distinction through her sympathetic and tender portrayal of "Peg" in the screen version. Shades of her whimsical character, never fully developed in the spoken play because of the natural limitations of the theatre.

## Thin? Run-down? Sure Way to Get Right Weight

Increase Your Red Blood Cells. That's the Sure Way! S. S. S. Builds Blood Cells; This Means Strength!

Do you know why insurance companies refuse to insure a great many men because they are underweight? Simply because to be underweight often proves

low fighting-power in the body. It often means you are minus nerve-power, minus red-cells in your blood, minus health, minus energy, minus vitality. It is serious to be minus, but the moment you increase the number of your red-blood-cells, you begin to become plus. That's why S. S. S., since 1823, has meant to thousands of underweight men and women, a plus in their strength. Hollow cheeks fill out. You stop being a calamity-looking. You inspire confidence. Your body fills to the point of power, your flesh becomes firmer, the age lines that come from thinness disappear. You look younger, firmer, happier, and you feel it, too, all over your body. More red-blood-cells! S. S. S. will build them. Ladies and gentlemen, a peppy, bony face doesn't make you look very important or pretty, does it? Take S. S. S. It contains only pure vegetable medicinal ingredients. S. S. S. is sold at all drug stores in two sizes. The larger size bottle is the more economical.

Conkey's is different—no dried buttermilk is ever used. We use Semi-Solid Buttermilk only, combining it with the other ingredients in the original and successful Conkey way.

Conkey's is low in fibre and just right in protein. Too much fibre injures and too much protein overtaxes. Conkey has made a study of the little chick for years, and in Conkey's Buttermilk Starting Feed has perfected the one really successful feed for little chicks from 48 hours to 8 weeks of age.

Conkey's also puts an edge to the appetite, while the lactic acid has a tonic effect—helping to prevent White Diarrhea.

You will be amazed to see how the use of "Bull" Durham will cut down the cost of your smoking.

How is it possible to give you quality at the low cost of 10 cents for 50 cigarettes?

Here's one reason: The government tax alone on 50 machine-made cigarettes is 15 cents—5 CENTS MORE THAN THE COST OF 50 "BULL" DURHAM CIGARETTES TO YOU!

The average smoker saves \$1 to \$1.50 a week by "rolling his own" from "Bull"—or from \$52 to \$78 a year. This makes quite a Christmas fund—or pays for a fine trip.

# "BULL" DURHAM TOBACCO

★ What a place "Bull" Durham holds in the hearts of Americans! Can you think of any other brand that has been the favorite of three generations?

Look at its history. From the Civil War to the Great War "Bull" Durham has been the American's greatest standby. Sixty years.

There really is no smoke in the world so altogether satisfactory.

A "Bull" smoker never switches. You can't interest him in any new experiments. He carries his preference wherever he goes.

This is because the special flavor and aroma of "Bull" Durham make a cigarette that can not be duplicated.

Find out. You will never know how good a cigarette can really be until you roll your own out of "Bull".

## The World Court

The Los Angeles Bar Association  
follows the example of the New  
York Bar Association in approving  
President Harding's recommendation  
that the United States join the Per-  
manent Court of International Jus-  
tice. Thus geographical extremities  
of the country agree on an impor-  
tant question of foreign policy.There is plenty of similar agree-  
ment in between, and all around the  
edges, for anyone who cares to look  
for it. Whatever political squabbling  
there may be over this question of  
membership in the international  
court, the dominant thought of the  
country seems to be in favor of it.  
This may become still more evident  
as the President makes his "swing  
around the circle" speaking for the  
measure.It would be unfortunate if the  
question were made a party or frac-  
tional issue, and possibly it will not  
be when the final show-down comes.  
If the public indicates overwhelming  
agreement with the President, the  
irregulars and bitter-enders in the  
Senate may yield gracefully next  
winter.SHOWS NEED FOR  
RILEY HOSPITALContinued from Page One  
sent to the state treasurer who  
charges it against the county where  
the patient lives and the total is  
collected by the state at the semi-  
annual settlement. The bill will in-  
clude only food, or what is known  
as the per diem. Mr. Fesler said,  
because the operating and treat-  
ment will all be free.

"It seems to me" he continued,

The Hodge-Podge  
By a Paragrapher with a SoulPeople don't brag about the  
height of public buildings any  
more. They reserve their super-  
latives for the make of auto-  
mobile they own.Somebody says the world  
needs "a spiritual Hague". To  
cure its spiritual ague?The average reformer can  
never understand why the  
blamed country objects so  
strenuously to being saved.The idea that Henry Ford is  
a reincarnation of old King Tub  
sounds reasonable, because  
Henry would have sold a chariot  
to every mummy in the cem-  
etery instead of stacking them  
up in his own tomb.The vaudeville matinee idol  
has had to give way to the mo-  
tion picture sheik, but he should  
have a heart because flappers'  
ideas change.Soft berths are the most in-  
secure.Chronic loafers are firm be-  
lievers in the rest-cure."that it is not a question of giving  
a large sum of money, but the most  
important thing is your cordial and  
earnest support of the movement,  
and then give what you can."Pledge cards were passed out at  
the conclusion of the meeting, each  
person present being asked to pro-  
mise their service when the time for  
solicitation of funds begins.The need of such a hospital as  
is proposed was felt in 1914, soon  
after the Long hospital was opened,  
Mr. Fesler said, because that hos-  
pital for the sick poor was filled  
quickly and the waiting list has been  
increasing in size annually. There  
are only twelve beds for children  
in the Long hospital and after a  
few months it became apparent that  
more room to accommodate children  
would be necessary, the speaker  
stated. The Indiana university  
board of trustees discussed the prob-  
lem, but found it impossible to  
meet the maintenance cost if more  
beds for children were added.After the death of James Whit-  
comb Riley in 1916, Mr. Fesler con-  
tinued, his friends met and discussed  
methods of memorializing the  
foremost Indiana poet. Various  
plans were proposed, but none was  
universally approved until the child-  
ren's hospital was suggested. This  
met with instant approval and the  
plan was started, but delayed by  
the war, Mr. Fesler said.The speaker recalled the legis-  
lature in 1921 appropriated \$125,-  
000 for the hospital building \$75,-  
000 for equipment and mainte-  
nance for two years and \$50,000 for  
each year thereafter for equipment  
and maintenance."The importance of the act was  
not so much the appropriation as  
giving the hospital a legal status,"  
Mr. Fesler added, "and establishing  
methods of operating it."Riley's friends who promised to  
raise \$1,000,000 to complete the  
hospital, soon found that would not  
be enough, and that \$2,000,000  
would be required, he said. Those  
interested visited noted children's  
hospitals all over the country be-  
fore a pencil was put to paper to  
draw plans, the speaker pointed out.While we all admire regular he-men, our admiration  
slows down when it comes to she-women.We are always more liberal in giving our moral sup-  
port to a thing when there is no cash come-back to it.Nobody wants war but those who make money out  
of it.Some spend Sunday in devotion, while the majority  
put in the day overeating.Seventy per cent of the people never visit a dentist,  
which probably accounts for marriage being a failure.

of the season was played last even-  
ing by the local boys at Connersville,  
in which the local team was victor-  
ious in a score of 23 to 21. A special  
car was chartered from the I. & C.  
traction company and seventy-five  
or eighty went from this city to see  
the game which was the last of the  
season. The first half of the game

COUNTY WINS IN  
ALL DIVISIONSContinued from Page One  
erasure on one of the otherwise per-  
fect papers, which counted one point  
against the contestant. Rushville  
scored two one hundreds and one  
97. Middletown scored one 100 and  
two 99's. The Henry county teacher  
was disposed to contest it further  
on the theory that the average  
grade for her team was higher than  
the average of the Rushville team  
but it was pointed out that the  
award was not made on averages  
but on the per cent. of papers per-  
fect.The members of the winning  
Rushville high school team were  
Virginia Lueas, June Lightfoot and  
Lois Steffy.In the grammar grades section,  
the Carthage team turned in three  
perfect papers, competing against  
Middletown, representing Henry  
county; Connersville, from Fayette  
county, and Brookville, Franklin  
county winners.Middletown had one out of three  
perfect papers and Connersville and  
Brookville contestants turned in no  
perfect papers.The Carthage district team was  
composed of Dona Wells, Clyde  
Wells and Ruth Rhodes. These  
three, together with John Hinshaw  
and Ruby McGeorge, composed the  
team which won the grammar grade  
section of the county contest.Twenty of the most difficult se-  
lections from the list submitted for  
the grammar grades and the high  
school were used in the district  
contest.The scores all ran high and showed  
that the contestants were prac-  
tically perfect in recognition. Rush  
county won in all branches of the  
contest, it is pointed out because the  
teachers were most exacting in their  
training of the pupils and followed  
the rules closely. It developed dur-  
ing the contest that in other coun-  
ties teachers had been permitting  
pupils to erase, but this was not  
allowed.

sweeping, dusting, mending and  
cooking, often suffering from back-  
ache, pain in side, headache, nerv-

toms of more serious ailments. Thou-  
sands of such women have found  
relief from such suffering by taking  
Lydia E. Pinkham's Vegetable Com-

of recommendation continually being  
published in this paper. For nearly  
fifty years this old-fashioned root

### TRAINING CAMP GOSSIP

Montgomery, Ala.—The Philadelphia Athletics and the Milwaukee team will play here today while the B. team of Connie Mack will play the University of Alabama. Mack's A team defeated Milwaukee yesterday, 12-3. Connie used twenty five players and had a new pitcher in each inning.

Leesburg, Fla.—The Phillies will play the St. Louis Cardinals in Bradenton, Fla., today. The regulars took their fifth consecutive game from the Yarnigans yesterday four to one.

Hot Springs, Ark.—Manager McKeechie was to start the first practice game today with the veteran Babe Adams pitching for the scrubs. After daily batting sessions, McKeechie says he is satisfied his men are going to make a slugging team this year.

Augusta, Ga.—The Detroit Tigers resumed outdoor practice yesterday

after two days of forced rest caused by rain. The men were put through a series of batting and fielding drills by Manager Cobb. Rigney, shortstop, is on the sick list suffering with a severe cold.

San Antonio, Tex.—Very few changes are expected in the team of Giants that will start after the 1923 pennant. O'Connell will start in center field and Cunningham and Stengel will be retained as substitutes. Rawlings and Jackson are expected to be kept as infield substitutes and Anderson may displace Gaston as the third catcher.

New Orleans—Badly in need of a seasoned utility infielder, the Yanks may go into the market. Manager Huggins intimated today. Johnny White, Tulane star has made a fine impression on Huggins and the probably will be retained but he lacks experience. Huggins said he had a player in view but would not tell his plans.

Tampa, Fla.—Washington pitchers are improving as a result of the exhibition games with other major league teams. Donnie Bush, the Senator's manager, believes. Brillheart and Zarohy showed real form yesterday when the Senators defeated the Braves, 5-2.

Avalon, Calif.—The Cubs need an outfielder with a good peg, manager Bill Killifer has decided. Not a man now with the squad gets much steam behind the ball. Miller and Stutz have only a fair whip.

Seguin, Texas—After a week's rest with a bruised knee, Willie Kamm was back at third base with the White Sox pitcher. He took things easy and will not appear in the game with the Giants.

Lakeland, Fla.—The Cleveland Indians, won the third game of their spring series from the St. Louis Cards, 6-5.

Orlando, Fla.—Pat Moran will take a second look at Danny Deever, former soldier who Tuesday let the Red Colts down with 1 hit in five innings. Deever was slated for a minor league berth but he pitched swell ball. Only one man reached second on him.

### European Champs Poor Bunch

By HENRY L. FARRELL  
(United Press Sports Editor)

New York, March 21—Decline of the British boxing class is shown most strikingly in the list of new European-ring champions recognized by the International Boxing Union.

Where once English fighters ruled almost supreme on the other side of the Atlantic, France and Belgium have now crowded in and won more representation on the list of champions.

Belgium has two, France three and England only one champion on the following new list prepared and accepted by the International Boxing Union.

Lightweight, Montreuil, Belgium.  
Bantamweight, Ledoux, France.  
Featherweight, Ciqui, France.  
Lightweight, Open.  
Welterweight, Hobin, Belgium.  
Middleweight, Todd, England.  
Light heavyweight, Siki, France.  
Heavyweight, Spalla, Italy or Van der Veer, Holland.

It will be observed that Jimmy Wilde, the one great British cham-

pion, and Joe Beckett, the British heavyweight, have been removed from the official list. They were taken out from under their titles by the simple expedient of ruling them out, a la Duke Muldoon.

The Duke's New York commission is said to be affiliated with the International Union, but the Duke may remember that the International refused to recognize the Duke's operation on Johnny Kilbane and Johnny Wilson and Wilde and Beckett may not lose their titles as European champions of New York.

The European solons bounced Wilde out of the list because of inactivity and they gave the air to Beckett on general principles.

Some punishment ought to be meted out to the Kilbanes, Wilsons, Wildes and the other champions who refuse to defend their titles, but no punishment can be respected if it is not effective.

The process of removing a title by making a motion and having it seconded and passed will never be effective.

Regardless of the injustice apparently done to Wilde and Beckett it

remains an admitted fact that England is in a bad way for fighters. This was shown when Ted Lewis left the United States a worn-out, has been old horse—went back to England and won three championships.

New York.—Tex Rickard announced that Luis Firpo, South American conqueror of Bill Brennan will meet an unselected opponent in a time-final to the Willard-Johnson bout in the charity show May 12.

## IF SKIN BREAKS OUT AND ITCHES APPLY SULPHUR

Just the moment you apply Men-tho-Sulphur to an itching, burning or broken out skin, the itching stops and healing begins, says a noted skin specialist. This sulphur preparation, made into a pleasant cold cream, gives such a quick relief, even to fiery eczema, that nothing has ever been found to take its place.

Because of its germ-destroying properties, it quickly subdues the itching, cools the irritation and heals the eczema right up, leaving a clear, smooth skin in place of ugly eruptions, rash, pimples or roughness.

You do not have to wait for improvement. It quickly shows. You can get a little jar of Rowles Men-tho-Sulphur at any drug store.

Miss Lottie Callaghan was hostess to the members of the Ladies Aid Society of the St. Paul's Methodist Episcopal church Tuesday afternoon at her home in North Harrison street. She was assisted in entertaining by Mrs. Gray and Mrs. Horatio Havens. The regular business meeting and program was held and refreshments were served by the hostesses.

At the call meeting of the Music Study Club held Tuesday afternoon at the home of Miss Wanda Wyatt in North Main street, the state federation of music clubs convention which is to be held in Indianapolis March 22 to 24 was discussed. Several of the members are planning to attend different sessions of the convention. At the close of the meeting an informal social period was held.

The Woman's Missionary Society of the First Presbyterian church met Tuesday afternoon at the home of Mrs. J. R. Carmichael in North Main street. Miss Minnie Beale was in charge of the devotionals, using as her theme, "Why Study the Bible". Mrs. Rena Warner gave an interesting talk on "Alaska" and Mrs. Gibson Wilson told of the work of the Sheldon Jackson school at Sitka, Alaska. Current events were given by Mrs. J. T. Arbuckle and Mrs. Bert Mullin. Mrs. L. C. Snodgrass gave an enjoyable reading entitled "Gifts and Givers" and Miss Gertrude Snodgrass sang a beautiful solo. At the close of the program the hostess served dainty refreshments.

## TRUE COMMUNITY SPIRIT PRAISED

Continued from Page One  
Dr. Houghland, in responding for the delegation, pointed out that the home is the first unit and around the home is built a family tie, which through the years has developed into towns, townships, counties and cities and that Anderson township has a community spirit which is one of friendliness, and which links it closely with the other townships of the county.

Dr. Houghland pointed out that the community spirit should not have a definite boundary line, and that if Milroy or Anderson township would do anything that would harm Rushville, or any other township, that it would react on them sooner or later, and that no good could result, while on the other hand, if the township does something worth while, and of real good, then it not only aids their own community, but reaches out into broader realms.

The speaker thanks the Kiwanians for the opportunity of being represented, and stated that he felt confident that he was speaking for the entire community, that if any misunderstanding existed, that such meetings would soon erase them, and a better feeling of fellowship would prevail.

## PERSONAL POINTS

—W. E. Roth of Orange township spent today in this city on business.

—Wayne Daubenspeck was a passenger to Indianapolis this morning where he spent the day.

—Mr. and Mrs. Charles Wilson and family motored to Indianapolis this morning and spent the day.

—George Redelman of Greensburg spent Tuesday in this city visiting with friends and transacting business.

—Miss Naomi Hobbs of Whisman, Ky., is spending a few days in this city, the guest of relatives and friends.

—George Davis and the Misses Anna Geraghty, Helen Moore, and Marie McKee of the local telephone company attended the telephone convention held at Muncie today.

guests were introduced by Dr. Houghland. Other guests today were the Rev. Gibson Wilson and daughter, Miss Kathryn, Miss Margaret Weakley, of this city, Mr. and Mrs. Gerald Bonney, singing evangelists, Kwanian E. V. Toms of Greenfield and H. G. Gaston of Indianapolis, J. N. Culp and Louis Elmer of this city.

Mr. Bonney led the Kiwanians in singing several songs, and he and his wife sang a duet, a negro spiritual.

J. T. Arbuckle also extended the members an invitation from the First Presbyterian church for the Kiwanians to attend the services on Friday night.

The ladies night scheduled for next week, has been postponed, and the second anniversary of the local club will be observed at the next meeting.

## DEATH THREATENED BY GARY OFFICIALS

Continued from Page One  
in the jail. He said Potts tried to induce him to sign the statement and he again refused. He was locked in a cell again and was kept there for three or four hours.

About three a. m., he said he was taken to the city hall. There, he said, he found Johnson, Lucas, Dunn and others. He said they were drinking and that Johnson offered him a drink which he refused. He said Mayor Johnson asked what the government had against him. Ukman said he refused to answer.

Potts then threatened to kill him if he did not sign the statement, the witness said.

Upon his refusal to sign, he said, beaten with a belt. He said he then his clothing was removed and he was begged to be let alone and told them he would make a statement if they quit beating him. They said they would permit him to dress and insisted upon a statement.

Again he refused to sign anything.

## Safety Sam

I'll bet St. Peter didn't lose a minute gettin' his wingmakers on th' wire when he read th' news that flyin' bicycles will soon be on sale!

Ukman said upon his refusal Kinder struck him several times with a black jack. Ukman said he became unconscious and awakened next morning in a jail cell. He remained in jail at Gary from Tuesday until Saturday and then was removed to the Crown Point jail. No charge was ever placed against him, but he remained in jail several days, Ukman declared.

While in Crown Point jail, Ukman said J. Glenn Harris, a representative in the legislature, came and told him that Morgan, the district attorney and Federal Judge A. B. Anderson were against him and his only hope was to sign the requested statement. He said he told Harris he would sign.

Disregarding threats against their lives if they proceed with trial of the Gary liquor conspiracy case, Federal Judge Ferdinand Geiger and District Attorney Homer Elliott today sought to learn what was behind an alleged remark of one of the defendants that "we didn't get to see the witnesses soon enough."

Standing behind a screen in the federal building wash room, Will Hays, a prohibition agent, overheard two men talking. He testified that Andrew Wytow, a Gary patrolman, who is one of the defendants, made the remark.

Both Elliott and Judge Geiger want to know what was meant by the remark and whether it has any bearing on the apparent forgetfulness of some of the prosecuting witnesses, who have not been able to tell the same stories of irregularities

## Broke Up Housekeeping

"We had to break up housekeeping because of my wife's stomach trouble. No medicine did her any good for more than a few hours. On a visit to Oshkosh a friend praised Mayor's Wonderful Remedy so highly, my wife tried it and she has enjoyed the best of health since taking it." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. ## CREAM CLEARS A STUFFED-UP HEAD

Instantly Opens Every Air Passage — Clears Throat, Too

If your nostrils are clogged and your head is stuffed because of nasty catarrh or a cold, apply a little pure, antiseptic cream into your nostrils. It penetrates through every air passage, soothing and healing swollen, inflamed membranes and you get instant relief.

Try this. Get a small bottle of Ely's Cream Balm at any drug store. Your clogged nostrils open right up; your head is clear; no more hawking or snuffling. Count fifty. All the stuffiness, dryness, struggling for breath is gone. You feel fine.

## SPEAKS OF GOD'S POWER TO SAVE

Continued from Page One  
they are cleansed both from the guilt of sin and the power of sin.  
He has promised in the third place to give them a new heart, a new spirit within. The heart of stone, the sin hardened heart is to be taken away. They are to be given a heart that knows God.

This sounds like the New Testament when we say "Ye must be born again." It shows us that the plan of God through the ages, for the salvation of man has ever been the same.

The Spirit of God entered into Samson (Judges 14:6) but Satan entered into Judas (Luke 22:3). The Spirit of God entered into Gideon and made him a "mighty man of valor." Do you believe in instantaneous conversion?

Do you believe it is possible for the man who came into this house tonight without any thought of his soul, to believe and be converted before he leaves this house?

I believe it, My text says, "A new heart also will I give." If it were something to be purchased with money, you may not have brought the price. But it is a gift. You may receive it now.

John tells us that as many as received Jesus, to them gave he the privilege, the right, the power to become the children of God.

Jesus said: "Whoever ye shall ask of the Father, in my name He will give it you." Tonight, John 16:23.

God's love for the world was so great that "He gave his only begotten Son that whosoever believeth on him should not perish, but have eternal life."

One day while Jesus rested at Jacob's well a Samaritan woman came to draw water. While Jesus talked with her he gave to her a new heart and a new spirit was given unto her. Her towns people knew it at once. She went back to her home and city and told them of Jesus, and they knew that there was a new spirit within her. And from that city many of the Samaritans believed on Him because of the words of the woman who testified: "He told me all things that ever I did." Yes the new spirit that you receive is the gift of God.

The power of the Gospel to awaken dormant faculties and inspire new life is witnessed in every land both Christian and pagan.

An Africaner was known as "The Bonapart of South Africa." This notorious Hottentot was the terror of the whole country. In 1817 Moffat, the noted missionary, started to visit his Kraal. His friends warned him that Africaner would make a drum skin out of his hide and a drinking cup out of his skull. He was a murderer and a fugitive. A price was set on his head, but no one would attempt to capture him.

Moffat won him and until his death he was loyal to itself.

A man whose uncle he had killed saw him and the great change in his life and exclaimed: "O God what can not thy grace do. What a miracle of thy power!"

The lion became the lamb. Gifts offered for his capture were spent in presents to him.

What do I want you people to do tonight? I want you to accept Jesus as your personal Savior. That is your part. It is not a mere saying of word. It is an act of your own will.

God's part is to give you a new heart. You are spiritually dead until he quickens you with his spirit.

You are to turn from your sins and accept his gift and he will do the cleansing.

## W. SPARKS ACTS AS SPECIAL JUDGE

Separate Motions To Dismiss Franklin County Election Contest Appeal Case Are Heard

### TAKEN UNDER ADVISEMENT

Brookville, Ind., March 22.—Separate motions to dismiss the election contest appeal case in Franklin circuit court were filed Monday afternoon by attorneys for the Democratic contestees, Henry J. Meyer and Thomas H. Feltz, based on grounds of lack of jurisdiction. Special Judge Will M. Sparks, of Rushville, took the matter under advisement and probably will make a ruling on the appeals this week. If the ruling is in favor of the contestees the case will be dismissed. If it is overruled the case will come to trial April 5.

In the motion for dismissal of the election appeal case the attorneys for the contestees declared the circuit court has no greater jurisdiction than the commissioners' court, from which the appeal was taken by the Republican contestors, William L. Chambers and Oren P. Masters. The motions state the transcript of the case shows no report of return of the sheriff of any service of any notice on the parties to the suit. The commissioners' court sustained a motion to dismiss last December on the grounds that the contests should have been filed separately instead of jointly.

Judge Sparks also set May 4 as the date for the George R. Foster bigamy trial in the Franklin circuit court.

### BOOTLEGGING IS A TOPIC FOR COUNCIL

Continued from Page One

Council Sharp stated further that he knew some things that had been "pulled off at the skating rink, which wasn't exactly right, and that his own daughter had told him of one affair, in which a police officer did not conduct himself properly." He declined to mention further the affair, but stated that his name was not to be signed to any O. K. on the police department.

Councilman Crum admitted that he had heard such reports, but had not obtained anything that would warrant the suspension of any officer, and Councilman Mauzy and Abernethy also admitted hearing reports. All councilmen agreed, how-

ever, that a shake-up would follow, if any one would produce the proof of the charges.

Attention was called to the councilmen of drafting an ordinance which will permit new buildings and remodeling of buildings in the business district, to allow contractors to place pillars, porticos, entrances and decorative features of the building on the sidewalk, where the sidewalk is 12 feet or more, and that such pillars, posts and portions of the building cannot exceed six

inches on the sidewalks.

It is understood that several buildings are planned for the business district, and that pillars are necessary to add to the attractiveness of the buildings. The ordinance committee will present it for first reading next meeting night.

The matter of permitting the city firemen to pick out a uniform and wear them while on duty was brought up, and the councilmen endorsed the plan. City Attorney Young stated that it was no more

than proper for the firemen to wear uniforms, and proper badges, as they are associated with the police headquarters and have privileges and powers similar to the police.

The councilmen also purchased 400 feet of fire hose at \$1.20 a foot. The fire hose is generally purchased in this amount every four months, always giving a good supply on hand, and keeps the standard of the quality up to the best.

The assessment role of the petitioners for two paved alleys between Fifth and Sixth and Main and Perkins street, was filed and approved and turned over to the treasurer for collection. The cost on each petition amounted to about \$40, although the improvement did not materialize.

A car load of crushed rock was ordered for street improvement, which will begin within a few weeks, and bids for oiling will be discussed at the next meeting.

The city clerk was instructed to make out the annual license slips for pool rooms and theaters, and turn them over to the police for collection.

In remodeling the building at the city water and light plant to prepare for the installation of the coal unloader, the councilmen approved the contract with McGuire and Shook, architects, whereby they will receive 6 per cent. of the total cost of the reconstruction, and they were ordered to draw up the plans and specifications.
